Message from the Vice President and Chief Development Officer

Dear Friends,

Each year when I write my annual letter to you, I am so moved by how extremely fortunate we are to have such generous donors and friends. Your gifts and support have helped to feed the hungry, renovate patient floors, provide state-of-the-art equipment, and invest in vital research and clinical expertise...just to name a few. I often hear patients tell me that we have “lifted their souls in a time when they felt so vulnerable and hopeless.” That is when I know we have accomplished our mission.

Throughout our annual donor recognition publication, you will hear from our donors on how and why they support our hospitals. You will see the impact their gifts have on the lives of our friends, family, and more than 300,000 patients. For fiscal year-end 2019, the Saint Francis Foundation raised over \$15 million for Johnson Memorial Hospital, Mount Sinai Rehabilitation Hospital and Saint Francis Hospital. These gifts come in all sizes and many different forms, but together they symbolize hope.

In fiscal year 2019, we received many generous gifts and we are grateful to the Andrew J. and Joyce D. Mandell Family Foundation whose recent gift of \$1.5 million helped establish a collaboration with the University of Oxford, Quinnipiac University, Trinity Health Of New England, and the Mandell MS Center. Their gift will allow our hospitals to optimize and enhance patient care and establish unparalleled research and educational opportunities. We are also deeply grateful for the gift of \$1 million from the Maximilian E. and Marion O. Hoffman Foundation to renovate our Congestive Heart Failure patient floor. These gifts, coupled with our steadfast annual donors, corporate partners, and many event participants, allow our hospitals to continue to serve our community with compassion and excellence.

On behalf of John F. Rodis, M.D., M.B.A., Robert J. Krug, M.D., and Stuart E. Rosenberg, M.B.A., we hope you enjoy this issue of *Profiles in Caring*, and we remain blessed to have your continued devotion and support for our hospitals.

Warmly,

Lynn B. Rossini
Vice President and Chief Development Officer
Saint Francis Foundation

Maximilian E. and Marion O. Hoffman Foundation

FAMILY FOUNDATION

Family Foundations work together to have a meaningful and measurable impact on social problems. They also have a unique purpose...to serve as a unified vehicle for multiple generations.

The Maximilian E. and Marion O. Hoffman Foundation Inc. in West Hartford, Connecticut, was established in 1982 by Marion Hoffman in memory of her husband. The organization's mission is to donate to nonprofits that further education, medicine and the arts. Since 1990, the Foundation has generously granted over \$9 million to Saint Francis Hospital. Marion Barrak, niece of Marion Hoffman, assumed the role as president and CEO of the Foundation in 2006. Her father, Dr. Bahij Chaho, was affiliated with

Saint Francis Hospital and her husband, Dr. Bechara Barrak, has been an internist at the hospital since 1992. When Marion was asked why they continue to support Saint Francis Hospital, she stated, "Our initial grant of \$2 million was used to establish the Hoffman Heart Institute, the first comprehensive heart institute in southern New England. Since then, the level of care and compassion for the patients has never wavered, and we are grateful to be partners with an organization with such values."

This year, the Maximilian E. & Marion O. Hoffman Foundation awarded Saint Francis Hospital a \$1M gift to renovate the Congestive Heart Failure Unit. The newly renovated unit will be named the "Maximilian E. & Marion O. Hoffman Congestive Heart Failure Pavilion." Congestive heart failure is the leading cause of hospitalization in people over age 65. Annually, Saint Francis Hospital serves over 2,000 patients in the Congestive Heart Failure Unit and this number continues to rise each year. The new center will incorporate prevention, wellness, and rehabilitation services along with top specialists and state-of-the-art technology. Research has shown that hospital environments have a positive or negative effect on healing. The unit will have private rooms, calming environments, and other amenities that enhance the emotional support patients receive. Saint Francis Hospital is thrilled to be able to utilize these funds as a means to create a new, soothing, and comfortable environment for its congestive heart failure patients to complement the medical care our patients receive while they are hospitalized.

Dr. and Mrs. Bechara J. Barrak

... we are grateful to be partners with an organization with such values.

Marion Barrak

Mr. and Mrs. Karl J. Krapek, Sr.

STOCK GIFT

Individuals can make a bigger impact on patient care by donating long-term appreciated securities, including stock, bonds, and mutual funds, directly to a charity. When compared with donating cash, or selling appreciated securities and contributing the after-tax proceeds, donors may be able to automatically increase their gift and their tax deduction. This process is very easy and can have a huge impact on the area of care most important to you.

For almost 40 years, long-time board member, Karl J. Krapek, Sr., has been an inspiring leader, astute advisor, energetic advocate and generous friend to Saint Francis Hospital. Most recently Karl served as a co-chair for the Hope & Healing Campaign, helping the hospital raise close to \$30 million. Karl was employed at United Technologies Corporation for 20 years, serving in many executive roles culminating with his tenure as president and chief operating officer from 1999 until his retirement in January 2002.

Throughout his career, he felt blessed with good luck and was compelled to do the right thing and help as many people as possible. His association with Saint Francis Hospital continued that theme with the simple conclusion: if the hospital prospers, so will the community. Karl's multi-million dollar stock gifts created the Karl J. Krapek, Sr. Comprehensive Women's Health Center at Saint Francis. Karl and Kathy Krapek believe strongly in giving back to the community they live in and are instrumental in changing the lives of many patients and their families that are cared for at Saint Francis Hospital. Each year they donate appreciated stock and their gifts have an immeasurable impact on the care Saint Francis Hospital is able to provide.

Left to right, Kathy and Karl Krapek with Barbara Lentini at the 30th Anniversary of MIRACLES.

Coverys Community Healthcare Foundation, Inc.

CORPORATE RESPONSIBILITY

Coverys is a nationally recognized medical professional liability insurer. They are driven by their commitment to protect the healthcare community through risk mitigation, insurance protection and patient safety and quality care. Better outcomes for patients start with quality healthcare delivery. The support of CCHF for the CtSQC's patient safety training is a powerful reminder to Coverys that their business is about far more than the insurance coverage they provide — it's about the individual patient. The Coverys Community Healthcare Foundation, Inc. was established in 2013 to support charitable organizations and endeavors that improve patient safety and care, promote healthy lifestyles, and support individuals and organizations that provide healthcare.

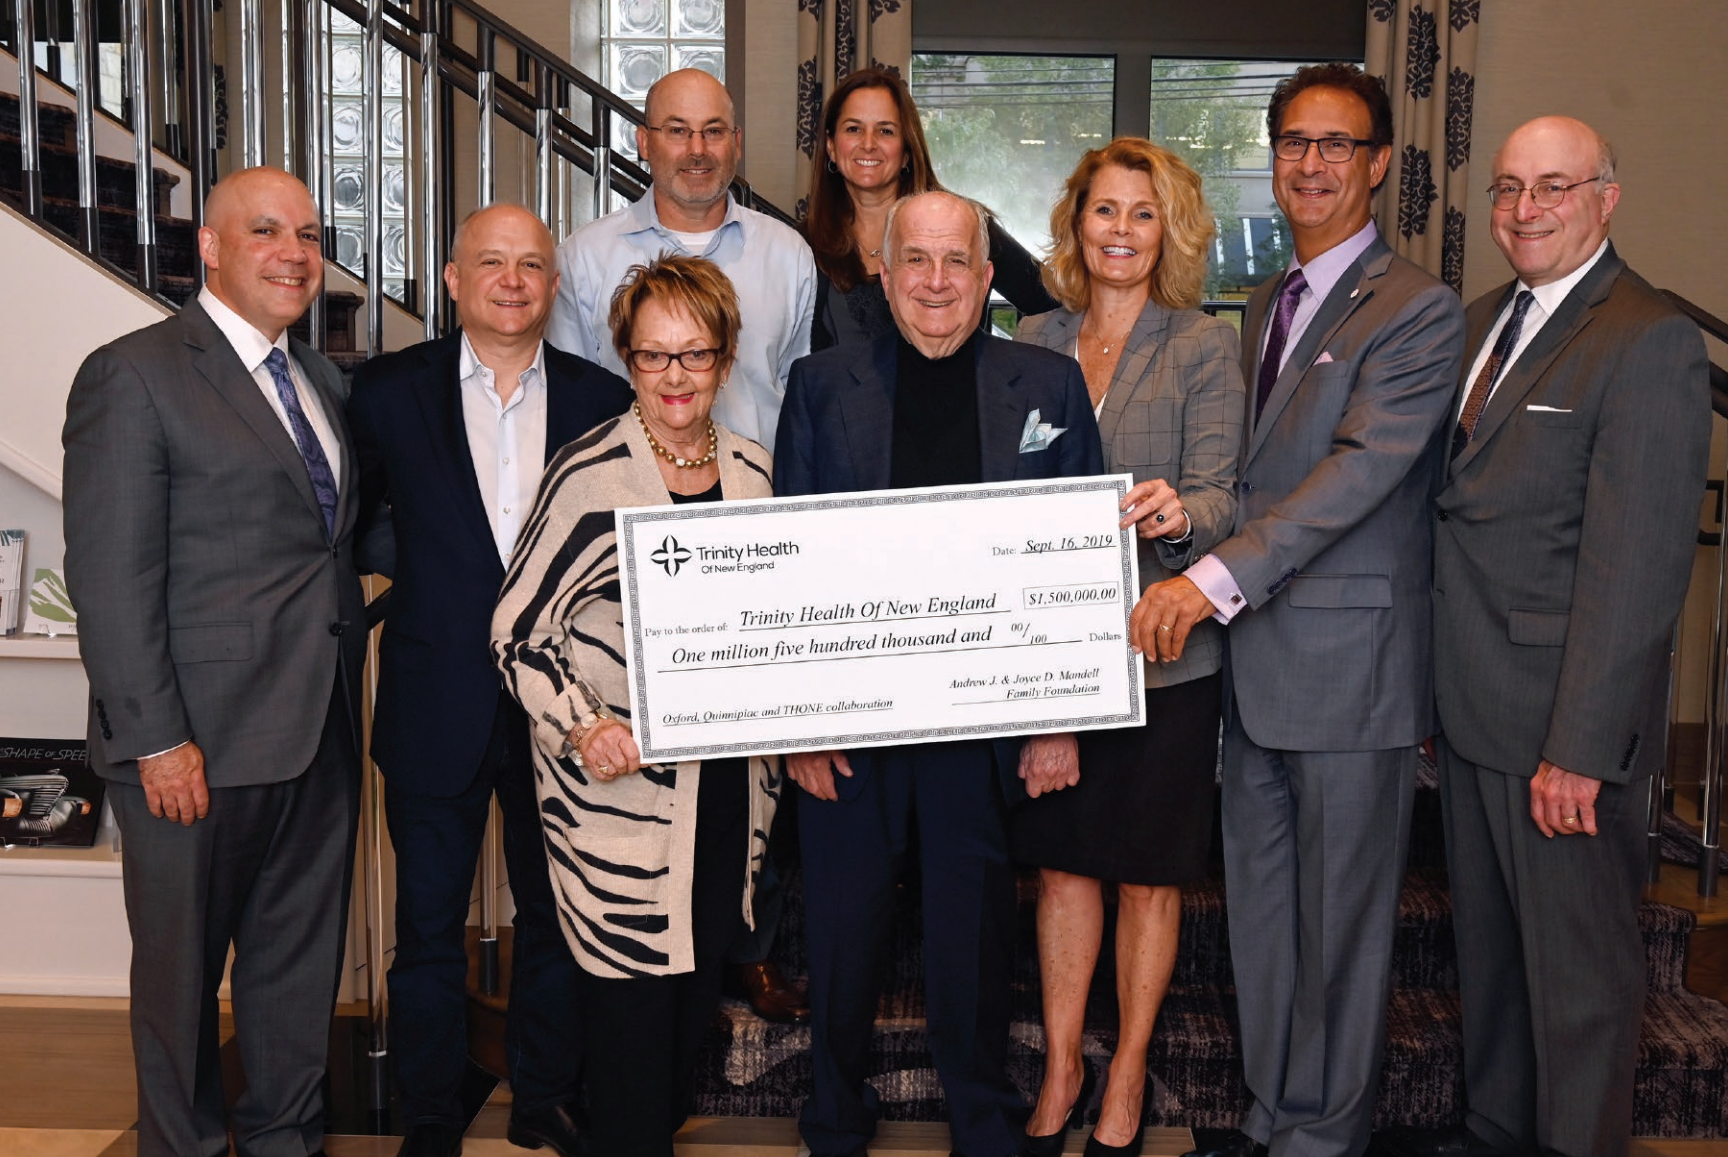

Saint Francis Hospital received a \$1 million, multi-year grant from the Coverys Community Healthcare Foundation (CCHF) to partner with the Connecticut Surgical Quality Collaborative (CtSQC), an unprecedented coalition of all 29 Connecticut hospitals. This is the first coalition in the history of healthcare in Connecticut that brings together the best surgical teams in the state to share patient safety protocols, evidence-based surgical procedures and innovations. The goal of CtSQC is to eliminate errors during the perioperative process that result in unintended, adverse patient outcomes. This includes using evidence-based protocols to avoid errors before surgery, during surgery and during the transfer of patients to other multidisciplinary teams. The funding from Coverys has led to a significant amount of patient safety training throughout the state. This has resulted in better patient outcomes and a decrease in the number of adverse events at our hospitals.

We have made successful changes in policies, procedures, protocols and in the implementation of innovative best practices.

Andrew J. and Joyce D. Mandell Family Foundation TRANSFORMATIONAL GIFT

The Andrew J. and Joyce D. Mandell Family Foundation has committed \$1.5 million to support a long-term partnership focused on neurosciences and rehabilitation. In collaboration with the University of Oxford, Quinnipiac University, Trinity Health Of New England and the Mandell MS Center, Mount Sinai Rehabilitation Hospital patient care will be optimized through unparalleled research and educational opportunities.

This new partnership will generate valuable clinical data that will lead to impactful research for patients with acute and chronic neurological disorders such as multiple sclerosis (MS), stroke and Parkinson’s disease. Joyce and Andy Mandell are committed to the comprehensive care of patients with MS and are very excited about this partnership. “We feel a light is finally shining on MS and this collaboration of outstanding international clinicians and researchers will optimize the care of MS and those with other movement disorders,” stated Joyce Mandell.

//
*We feel a light
 is finally shining on MS...*

Joyce Mandell

The Kirschner Family

GRATEFUL FAMILY

Grateful patients and their families have a profound impact on our ability to serve our community. Their philanthropic investments allow us to create healing environments, purchase state-of-the-art equipment, attract world-class physicians, expand research through clinical trials and help our most vulnerable patients.

The Kirschner family's fondness for Saint Francis Hospital dates back to 1933 when Mr. Robert F. Kirschner, Sr. was admitted to the hospital for a mastoid ear operation. Dr. Henry Katz served as his surgeon, and although he coded three times, Dr. Katz was able to save Mr. Kirschner and forever referred to him as his "miracle boy." He was just six years-old. Then, in January 1956 Robert F. Kirschner, Jr. was born at Saint Francis Hospital, two months premature and weighing just three pounds. Delivered by Dr. Donald J. McCrann, Robert, Jr. spent three months at Saint Francis Hospital and has lived an extraordinary life — working with his family, traveling with his wife, Linda, and supporting many charities all over the world.

His father had always wanted to thank the hospital with a meaningful donation and recently he honored Saint Francis Hospital with a very generous monetary gift to purchase an isolette for the Hema de Silva Neonatal Intensive Care Unit at Saint Francis Hospital. Dr. Arias-Camison gave Robert, Jr. and his wife, Linda, a tour of the NICU explaining how the state-of-the-art isolette operates and the impact it will have on the patients and their caregivers. Afterward, Robert, Jr. stated, "I find this to be a truly humbling experience to see the 'tiniest patients' receiving the gift of life through the dedication of the hospital staff. Our family is so grateful we could play a small part in these miracles." Robert, Sr. can now know that his generosity in honor of his past miracles will heal many of our tiniest patients for years to come.

Jeanne Silverwatch, NICU nurse manager, and Dr. Jose Arias-Camison, director, NICU, were truly grateful for this precious gift and posed with Linda and Bob Jr. as Rose Nilson, Saint Francis Hospital chaplain, blessed the new isolette.

State-of-the-art 3D mammography machine

Community Foundation of Western Massachusetts

DONOR-ADVISED FUND

Creating a donor-advised fund provides an opportunity for a donor to play an active role in determining which charities and programs their fund will support.

Founded in 1991, the Community Foundation of Western Massachusetts administers a charitable endowment consisting of nearly 600 separately identified funds serving the three counties bordering the Connecticut River in western Massachusetts (Hampden, Hampshire, and Franklin Counties). Each fund was contributed by one or more generous donors who wished to make a difference, on a local scale, in those communities. They make it possible for good people to accomplish good works in the Pioneer Valley. In addition, some of these charitable assets are unrestricted, used to meet emerging and changing needs or restricted to support named charities.

Two such funds were created to support Johnson Memorial Hospital (JMH). The Virginia and Earl Jahn Fund was established initially as a donor advised fund, from which the Jahns would make recommendations for disbursement to JMH. Upon their passing, the fund became endowed to various organizations of their preference while alive, and we are grateful JMH is one of those organizations. The Johnson Memorial Hospital Fund was established in 2011 for specific capital projects necessary to better serve the patients of JMH and annual distributions are made to the hospital. Over the years, both funds have given more than \$100,000 to the hospital, and this year, their \$25,000 gift will assist with the purchase of a 3D mammography machine.

ConnectiCare

CORPORATE PARTNER

ConnectiCare has been helping make Connecticut healthier since they were founded in 1981 by a group of doctors. They live and work in our same communities, and they focus on giving to organizations and initiatives that are dedicated to health, wellness and community involvement throughout our state.

For more than three decades, ConnectiCare has donated more than \$500,000 to our hospitals and has been an incredible partner whether in support of our events or our community outreach efforts. When we shared our goal of establishing a dedicated women’s center, ConnectiCare stepped up to help promote the Center and the fundraising events necessary to make it a reality. Each year they support our signature events whose proceeds assist with the purchase of therapy equipment, access to advanced nursing education, maintenance of community outreach efforts by the Curtis D. Robinson Center for Health Equity and renovation or expansion of our centers of excellence.

ConnectiCare is committed to creating healthier futures for our customers and communities. Supporting Saint Francis Hospital is one of the ways we bring our brand promise to life.

Eric Galvin, ConnectiCare's President

Pink Aid and the Karl J. Krapek, Sr. Comprehensive Women's Health Center at Saint Francis

GRANT

Grants are awarded by corporations and philanthropic foundations to nonprofit entities. Most grants are made to fund a specific project or program and require extensive compliance and reporting. Grants are a vital part of the Foundation's fundraising efforts and can mean the continuation of and enhancement of many programs throughout the hospital. Each year we apply for 40 to 50 grants and receive over \$1M annually in grant funding. We are grateful to Pink Aid for their support and for more than \$125,000 to fund medical services provided by our Karl J. Krapek, Sr. Comprehensive Women's Health Center.

Saint Francis Hospital has been a partner with Pink Aid since their beginning. Founded in 2014, Pink Aid's mission is to help underserved, underinsured and uninsured Connecticut women survive breast cancer diagnosis and treatment with support and dignity. Pink Aid funds pay for diagnostic procedures to women in financial need whose mammogram indicated the need for further tests. When a woman is diagnosed with breast cancer, she needs a lot more than medical help. With a staggeringly high rate of breast cancer occurrence in Connecticut, there are countless women who cannot afford to go through treatment or to pay for daily living expenses because of their diagnosis.

In the past year, with Pink Aid's help, Saint Francis Hospital provided screening/diagnostic services to 31 underserved women. Another 61 women, who were undergoing treatment for breast cancer or were recovering from breast cancer, received 165 therapeutic sessions from Saint Francis' Integrative Medicine Department. The Integrative Medicine treatments reduce women's anxiety, pain, and stress. We are grateful to work with an organization like Pink Aid that shares our mission of making a real difference in the lives of women and their families in Saint Francis Hospital's service area. Together, Saint Francis Hospital and Pink Aid provide medical and emotional care with compassion and expertise.

Patricia and Patrick Kinney

PLANNED GIFT

A planned gift is a contribution that is arranged in the present and allocated at a future date. Commonly donated through a will or trust, planned gifts are most often granted once the donor has passed away. In 1997 Saint Francis Hospital celebrated its 100th anniversary and created *The Valencia Society*, named for the first hospital administrator, Mother Ann Valencia. The planned giving society was established to honor individuals who have left a planned gift to Saint Francis Hospital and Mount Sinai Rehabilitation Hospital. Such gifts might include bequests of life insurance, charitable gift annuities, charitable remainder unitrusts, or charitable remainder annuity trusts.

Patrick Kinney, Saint Francis Hospital board member and his wife, Patricia, made their first gift to Saint Francis Hospital in 2012 after the loss of three beloved family members. At that time, they realized the important role nurses play in the care of their loved ones. Over the years, their gifts have supported nursing education, the Karl J. Krapek, Sr. Comprehensive Women's Health Center, and the Hope & Healing Cancer Campaign. The Kinney's hosted our annual Valencia Society reception in 2017 and this past year they shared with us their intentions of leaving a gift to Saint Francis Hospital in their estate plans. Their donations help us provide extraordinary and compassionate care for our patients, now and for generations to come.

If you would like to speak with us about how you can make a planned gift, please contact Lynn Rossini at lrossini@trinityhealthofne.org.

Patricia and Patrick Kinney hosted the 20th Anniversary of the Valencia Society at their home.

We are grateful to be able to assist Saint Francis Hospital with their needs now, and in the future.

The Kinney Family

Connecticut Brain Tumor Alliance

NONPROFIT

The CT Brain Tumor Alliance (CTBTA) is a nonprofit organization that was established in 2009 by Tracey Gamer-Fanning-Shimer, her mother, Terry, and other patients and/or caregivers she met along her journey with brain cancer. After being diagnosed with brain cancer in 2006, Tracey thrived and championed the mission so that others would not have to face this diagnosis alone with her “larger-than-life” smile and grace until her passing on October 26, 2018. Tracey wanted to make sure that each patient and caregiver was given hope and support while the CTBTA team raised brain tumor awareness, quality of care and research. The world was a better place because of Tracey.

Tracey Gamer-Fanning-Shimer

The CTBTA is continuing what Tracey began and has graced Saint Francis Hospital with support for our brain tumor and cancer patients since their inception. They host many different events throughout the year — walks, golf outings, trivia challenges, wine tastings and comedy nights — and share their proceeds with several hospitals in Connecticut. Their partnership allows us to provide financial assistance and nurse navigator services to brain tumor patients to guide them through their diagnosis and ease their burdens.

2019 check presentation from the CTBTA board to the Smilow Cancer Hospital at Saint Francis.

Sylvia and Michael Taub

ANNUAL GIVING

Every gift to our hospitals is vital to our mission. Annual donors represent our lifeline and provide the foundation for our caregivers to deliver compassionate and excellent care to our friends, neighbors and families in our communities. Their gifts support a “Spirit of Giving” culture by annually responding to an appeal email or letter, supporting a specific area of care, honoring a caregiver or remembering a loved one with a tribute gift.

Since 2002, and like clockwork every December, we receive a gift from Sylvia and Michael Taub to benefit the Hema de Silva, M.D. Neonatal Intensive Care Unit (NICU) at Saint Francis Hospital.

The Taub’s grandson was born at Saint Francis Hospital and spent some time in our NICU being cared for by Dr. Hema de Silva, NICU founder. Sylvia and Michael were so grateful for the care their grandson and family received, they wanted to express their gratitude with a gift. By doing so, they want to ensure that our tiniest patients and their families will receive the same level of care and expertise that their family did so many years ago. They are proud to say their grandson Daniel, once one of our most precious patients, is now a flourishing and healthy adult, having received a Ph.D. and working as a researcher at a renowned medical institution.

Our gifts reflect our deep gratitude to the caring staff of the NICU who saved our grandson’s life, and our desire to make hope a reality for NICU’s tiniest patients and their families.

Michael Taub

Michael and Sylvia Taub

Saint John's Bible CAMPAIGN

The Saint John's Bible is the first handcrafted Bible to be commissioned in 500 years. A team of artists coordinated by Donald Jackson in Wales and a team of scholars in Central Minnesota used the ancient techniques of calligraphy and illumination to create this seven volume masterpiece of art and biblical scholarship. It took the team more than a decade to complete. Trinity Health Of New England has been chosen as a pilot organization to share the Heritage Edition of the Saint John's Bible as a means to enhance the healing environment.

In 2019, dozens of donors helped raise \$300,000 to bring the Saint John's Bible to our healthcare ministry. On a daily basis, these beautiful bibles are brought to patients' rooms, colleagues' departments and community events to inspire and heal.

The Saint John's Bible has contributed to the healing environment for patients, colleagues, and visitors to our hospitals.

Jerry Galipeau, D. Min.
Executive Director, Mission Integration
Saint Francis Hospital

Our Signature Events

Signature events raise much needed funds for many programs throughout our hospitals. They are also an opportunity for our donors, colleagues, sponsors and philanthropy partners to have fun and hear first-hand how their investments will impact our patients and their families.

MIRACLES XXIX Gala

The 29th annual MIRACLES Gala, held on September 22, 2018 raised \$1 million for the Vicevich Multi-Specialty Pavilion and Lupus Center. Initiated by a \$1.5 million investment from Barbara Vicevich, this state-of-the-art medical “neighborhood” will provide one-stop comprehensive clinical care for patients with lupus and complex rheumatologic diseases. Barbara’s gift is in memory of her beloved mother, Margery, and in honor of her brother, Jim Vicevich, who suffers from lupus, and his physician, Michael R. Grey, M.D., M.P.H., Chairman, Department of Medicine.

Celebrity emcee John O’Hurley delighted the audience with behind-the-scenes stories from Seinfeld and the National Dog Show. John grew up in West Hartford and his father, Dr. John O’Hurley, a retired Saint Francis Hospital physician, served the hospital for over 30 years. The entire O’Hurley family joined us for the celebration.

Special Event Sponsor, Arrow Pharmacy, and Premier Corporate Partner, United Technologies Corporation, helped make the evening a resounding success. We are truly grateful to everyone involved with our gala and look forward to sharing with you the impact of these gifts.

Michael R. Grey, M.D., M.P.H., Chairman, Department of Medicine (standing) with Jim Vicevich

Back Row: Robert Benzinger; Dr. Daniel Gerardi; Dr. Luiz Diez; Dr. Vijay Joshi; Dr. John Rodis, president, Saint Francis Hospital; Pam Broderick, MIRACLES co-chair; Dawn Haney Bauer, MIRACLES co-chair; Marytherese Rodis.

30 Years of Swing – Curtis D. Robinson SWING Golf and Tennis Outing

Clifton Davis, actor; Chris Smith, UConn Basketball; Ben Carson, HUD Secretary; Alan Kaltar, Letterman Show Emcee; and Jeffrey Osborne, singer

The Annual Curtis D. Robinson SWING Golf & Tennis Outing was another rousing success raising over \$275,000 for nursing education, therapy programs at Mount Sinai Rehabilitation Hospital and services at the Curtis D. Robinson Center for Health Equity. Our 400 guests had a wonderful day at Tumble Brook Country Club playing tennis and golf and enjoying many on-course treats. They were also joined by several wonderful celebrities: Clifton Davis, actor; Ben Carson, HUD Secretary; Alan Kaltar, Letterman Show Emcee; and Jeffrey Osborne and Smokey Robinson, singers. Coach Jim Calhoun was also present for our anniversary celebration.

We are grateful to all of our sponsors including Arrow Pharmacy, our special event sponsor, and United Technologies, our premier corporate partner, who helped us make our outing so successful. We hope to see you next year on **Monday, June 22, 2020** at Tumble Brook Country Club.

Curtis Robinson; Lynn B. Rossini, Vice President and Chief Development Officer, Saint Francis Foundation; Antoinette Carrabba, Auxiliary of Saint Francis; Ben Carson, HUD Secretary

Tournament chair Diane Lerz and Stuart E. Rosenberg, M.B.A., president, Johnson Memorial Hospital

Johnson Memorial Hospital Golf Classic with the Medical Staff

The 8th Annual Johnson Memorial Hospital Golf Classic with the Medical Staff was a great success, raising over \$103,000 to support patient related equipment. Held on Wednesday, July 17, at Ellington Ridge Country Club, more than 100 participants enjoyed a fabulous day of golf and were joined by celebrities Paul D'Amato, actor; Ray Dunaway, WTIC broadcaster; and Tim Lammers, Fox61 news anchor.

We are grateful to our many sponsors including presenting sponsors, Evergreen Healthcare Center (Athena) and Woodland Anesthesiology Associates. Our tournament sponsors included the JMH Medical Staff and Radiology Associates of Hartford. A special thanks to our volunteers, colleagues and participants who made our event such a tremendous success.

Actor Paul D'Amato with Diane Lerz

Third-Party Events

Third-party events are fundraisers managed by someone other than the Foundation whose proceeds benefit a specific area of the hospital. These events are run by grateful family members or other nonprofits who share our mission. These all-volunteer groups handle every aspect of the events in their spare time with a drive and commitment that is unrivaled.

Barbara Gordon's Backyard BBQ

Barbara Gordon's 12th annual backyard BBQ was a wonderful success. All attendees enjoyed fabulous BBQ fare cooked by the incredible West Hartford firefighters; line dancing to the country sounds of Dan Gabel and his outstanding band; taking chances on the special drawing gift baskets; bidding on unique silent auction items; or simply sitting back and relaxing as they sipped on a cup of cappuccino by Formal Indulgence. This event raised almost \$20,000 for the Karl J. Krapek, Sr. Comprehensive Women's Health Center, bringing their total support to well over \$200,000.

Barbara and her daughter, Tracy, are grateful to Saint Francis Hospital for the continued compassion and perseverance the medical and spiritual staff has shown their family over the years. Barbara credits Dr. Allan Mayer and Dr. Jim Frank for saving her life and for also suggesting she needed to do something positive to overcome her survivor's guilt, as her sister had succumbed to cancer. And so the backyard fundraiser was born.

If you would like to host a third-party event, please contact Brenda Carbone at 860-714-8074 or bcarbone@trinityhealthofne.org.

John F. Rodis, M.D., M.B.A., president, Saint Francis Hospital; Jason Powers, West Hartford firefighter; Barbara Gordon, and Lynn B. Rossini, Vice President and Chief Development Officer, Saint Francis Foundation

Honor Roll of Donors

The Honor Roll of Donors recognizes those whose generous support helps to ensure Saint Francis' continued excellence by providing gifts for new facilities, state-of-the-art technology and high-quality programs and services.

Tributes

A tribute gift to Saint Francis honors the memory of family and friends, and offers a meaningful way to show appreciation for special people and occasions in our lives.

The following list represents donations of \$25 or more (due to space limitations) received from July 1, 2018 to June 30, 2019.

Ellen and Joe Spalluto

Ellen and Joe Spalluto were married in 1987 and had high aspirations of leaving their mark on future generations. They raised three beautiful, accomplished women, served on several community boards, volunteered for several non-profits, and were successful in various business ventures. However, their road to leaving a legacy at Saint Francis Hospital was paved by Ellen's parents, Dr. Brendan and Mrs. Maureen Fox.

Dr. Fox practiced urology at Saint Francis Hospital for 34 years, served on the hospital Board of Directors, and was a dedicated volunteer with the Auxiliary of Saint Francis. Maureen was a teacher, loved being a mother and grandmother and also volunteered at the Auxiliary. Their fondness and support of Saint Francis Hospital was boundless so they never hesitated when asked to become members of The Valencia Society. They wanted to make sure the hospital would always have what they needed to continue caring for our community.

Naturally, Joe and Ellen followed in the Fox family footsteps by becoming entrenched in Saint Francis Hospital activities, which included remembering the hospital in their estate plans. "We are fortunate at our age to have a handful of institutions that we value and feel are worth our philanthropic considerations," Joe said. "Thanks to Dr. Fox and Maureen, Saint Francis Hospital has always been one of them."

In April of this year, Maureen Fox passed away at Saint Francis Hospital. According to the Spallutos, their family's experience during her final days "solidified and reaffirmed what we always knew about Saint Francis Hospital. Quality and compassionate care continues at Saint Francis Hospital for every patient." They are comforted today knowing that Saint Francis Hospital is a vital part of their local community, and was there for Maureen and her loved ones when they needed it most.

The Fox Family

Colleague Campaign

got spirit?

We are grateful to our colleagues at Saint Francis Hospital, Mount Sinai Rehabilitation Hospital and Johnson Memorial Hospital for their leadership and support of our “Spirit of Giving” Campaign.

More than 1,000 colleagues got spirit, invested in our hospitals, and donated to funds that will assist their fellow colleagues and our patients. Johnson Memorial Hospital held their first colleague campaign and had more than 30% participation.

Every day our colleagues do extraordinary things to care for our community and make our hospitals special. We are honored to work with such a wonderful team, and we thank you for your commitment.

Our Mission

We, Trinity Health, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.

We would like to acknowledge the following individuals for their photographic contributions:

Joe Driscoll of Saint Francis Hospital and J. Fiereck Photography.

Magazine layout prepared by Whitney Hubbs Dionne and John Johnson Art Direction and Design.

Our Core Values

Reverence

We honor the sacredness and dignity of every person.

Commitment to Those Who are Poor

We stand with and serve those who are poor, especially those most vulnerable.

Justice

We foster right relationships to promote the common good, including sustainability of Earth.

Stewardship

We honor our heritage and hold ourselves accountable for the human, financial and natural resources entrusted to our care.

Integrity

We are faithful to who we say we are.
