Saint Francis Hospital and Medical Center

A Giving Program to Honor Your Caregiver

Dear Friends,

On a daily basis, we receive praise from our patients about the everyday "stars" at Saint Francis who have transformed their lives. As a recent recipient of our services, we invite you to say "thank you" to the physician, therapist, nurse or colleague who has touched your life and made your future brighter. With a gift of \$100 or greater, your name and the name of your caregiver will be proudly displayed in a prominent location in the hospital.

Our grateful patients and their families are among our most precious resources, and your story is a reminder of our important healing Mission. We hope you will use the attached form to tell us about your experience. Your story will mean a great deal to our caregivers and those who may be considering Saint Francis as their destination for care.

Thank you for choosing Saint Francis, and I look forward to hearing from you.

Sincerely,

Keelin D
